

Reverse Osmosis Faucets

tomlinson[®]

The Tomlinson Designer RO Faucet comes in nine beautiful finishes to match today's designer kitchens. This lead-free designer faucet retrofits to most brands and is an excellent upgrade from basic faucets that come with most RO and other Filter Systems.

Features:

- Combines quality and style with up-sell appeal
- Retrofits most brands
- Smooth operating ceramic disk element
- Lever style handle
- Standard finish is highly polished chrome; other designer finishes available
- High reach neck design of 12" (305 mm)
- Neck swivels easily, 360°
- Unique protective spout tip prevents after-drip
- Modular air gap (patent pending)
- Base diameter is 2-1/4" (57 mm)
- Pre-installed tubing for quick connections
- Mounting hardware included
- NSF listed to ANSI NSF Std. 61-1999a
- Two-year warranty

The Tomlinson Contemporary RO Faucet comes in four fabulous finishes which add high style to the high-end kitchen.

Features:

- Elegant design complements today's high-end kitchens
- Retrofits most brands
- Lever style handle
- Protective spout tip design prevents after-drip
- Patented modular air gap (US patent #7,011,106)
- Internal ceramic disc provides smooth operation
- High reach neck of 12" (305 mm); swivels easily, 360°
- Pre-installed tubing allows for quick connections
- All mounting hardware is included
- NSF listed to ANSI NSF Std. 61
- Two-year warranty

Our RO faucet is available in nine designer finishes to match the décor of today's high-end kitchens.
(Colors may vary slightly from printed samples shown.)
